Assistant Commissioner for Patents

Washington, D.C. 20231

Sir:

In response to the Office Action mailed January 17, 2003, Applicants respectfully request reconsideration of the above-referenced patent application in view of the following amendments and remarks. A Notice of Appeal accompanies this Amendment.

IN THE CLAIMS:

1. (Twice Amended) A method for comparing a test genome to a reference genome, said method comprising:

(i) providing a plurality of clones of known size that substantially cover at least a portion of said test genome;

10803 40803 (NB)

Examiner:

Borin, M.
